

Welcome Comment

Good morning! I hope you are all well and enjoying the activities that have been set this week. Here is the link for today's phonics session if you would like to have a go [Read Write Inc. Phonics Session](#)

If you would like to have a go at some phonics games [Phonics Play](#) have some fun activities for you to try!

English Task

For today's activity we would like you to have a go at some more seaside writing. Look at the pictures and talk about what you can see. Write a sentence about the seaside picture. There are some words to help you at the top. Remember to use 'Fred-talk' to help you order the sounds and use finger spaces in between words.

Maths Task

Today we would like you to have a go at counting how many feet there are in your home! I wonder if you can estimate how many there are?

- Write on your white board how many feet each person or animal has in your home? For example, in my house there is me, Mr O'Connell, my daughter Lila, my son Teddy and also my dog Nancy! So I would write 2, 2, 2, 2, 4
- Put the numbers you have written down into an addition number sentence using the symbols + and = , so I would write $2 + 2 + 2 + 2 + 4 =$
- Then use your counters in your home learning pack, to help you count how many feet there are. I wonder how close you were to your estimate!

Foundation Subject Task

At school we love listening to GoNoodle and following the fun routines. Click on the link and you can listen to [Banana Banana Meatballs!](#) Can you join in and follow the moves? Have fun!

Any Further Guidance

We hope you have had fun this week. We have been very impressed with the work you have done. We love seeing your e-mails and looking at what you have been doing. Thank you for sharing your learning with us! If you would like to have a go at some more online activities, there are lots of other fun games and activities to explore on Education City.

Have a lovely weekend! From Mrs O'Connell and Mrs Digger
