

Welcome Comment

Good Morning Year 4! As usual on a Friday, spend some time reflecting on your achievements this week. You have done some super learning and you should be really proud of yourselves. 😊 You might put this into your journal. If you don't have it yet, keep the paper and stick it in when you receive it! Have a great day!

Today's active task: I LOVE this [song](#) so make sure you have a good dance – I definitely will be!

English Task

Read along with 'The Dragon Machine' [here](#) and answer these questions.

I: How do you think George feels at the start of the story?

I: Why do you think no one notices the dragons?

E: What is the effect of the sentence, 'and then the trouble began'?

V: What does the word 'lumbered' mean?

V: How many examples of onomatopoeia can you find in the book?

What are they?

I: Do you think the dragons were real?

Thought for the day...

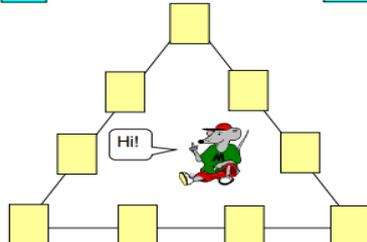

Maths Task

I have sent over a puzzle called 'Tricky Twenty Triangle' for you to have a go at today. Put the numbers 1-9 in the triangle so that each side adds up to 20!

Puzzle time
Tricky twenty triangle

1 2 3 4 5 6 7
8 9

Put the numbers 1 to 9 in the boxes below.
That each side of the triangle adds up to 20.

Foundation Subject Task

There is a brand-new well-being grid on the website. You can find it in Online learning → whole school resources → Thrive and well-being. I would like you to spend time today, and over the weekend, having a go at a few different activities from it. Spend time together and enjoy. Make sure you send me lots of pictures! Have fun!

Any Further Guidance

Well done for another cracking week Year 4! I will be checking the winners of the reading competition and I will let you know the top 5 next week. I will also be emailing out certificates so make sure you have emailed me (year4@suttonpark.worcs.sch.uk) your list of books read so I have your details to send your award! Have a super weekend and keep smiling. Don't forget, you can still access all of the online resources like [Education city](#), [Times Table Rockstars](#) and [Prodigy Maths](#) over the weekend!

Much love,

Miss D 😊
