Welcome Comment

Good morning Year 2!
Well, we've made it to Friday once again. Well done everyone! Year 2, you are superstars!

Remember to use our word of the week when talking to your family. How many times can you use it correctly throughout the day?

Word of the week:

Word: determined (adjective)

Definition: Having made a firm decision and not wanting to change it.

I was determined to make it to the top of the huge climbing frame!

Synonym (words with similar meanings): intent on, dead set on, fixed on.

English Task

First, spend 10 minutes reading. You may like to select a book from **Epic!** <https://www.getepic.com/sign-in> Class Code: **shm6148** or read one of your own books.

Next, your task is to write a review of the book: Grandad's Island. However, you can only use ten words. It might not be as easy as you think! First of all, make a list of all the adjectives you can think of to describe how the story/illustrations made you feel. Select the best adjectives for your review. You can use more than one sentence BUT you cannot use more than 10 words! **Use exactly 10!** You might want to have a play around with ideas.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://ttrockstars.com/> and complete work on your times tables for 10 minutes.

Problem solving

Complete the Mystery of the Squashed Fruit (saved in the Year 2 Home Learning Resources area).

The fruit kebabs have been squashed and someone is to blame! Who could it be? Solve the clues to find the culprit! This activity will test all of your Maths skills – good luck!

Foundation Subject Task

It's been so difficult when we haven't been able to give some of the people we love a big hug. So, this week I'd like you to make a hand hug. Draw around your hands and cut them out. You may wish to decorate or write a message on them. Link them together using string, ribbon or paper and send them to someone you care about.

Any Further Guidance

Hopefully, you have been busy practising this week's spellings! Have one last practice before you ask a grown up to test you. Let me know how many you get right.

Today, I would like you to have a go at some Zentangles in your journals. These are patterns, usually drawn in black and white. You may wish to create an outline of something, for example, a rainbow and fill it with Zentangle patterns; you may choose just to split your page up like my example shown. Put on your favourite music, draw and enjoy! It really helped me to relax, so I hope it helps you to do the same!

I hope you all have a good weekend!

Mrs Fassnidge
