

Teacher	Mrs Cornforth	Class	3	Date
				13/7/20

Good morning Year 3, we are almost at the end of the school year and what a year it has been! This week I would like you to really show Miss D just how brilliant you are as a class. She is still checking the class emails so I would strongly encourage you to email your best work to year3@suttonpark.worcs.sch.uk and make a great impression! I hope you enjoy all the challenges set this week and really try your best.

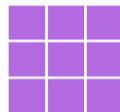

English Task

I thought for English today it would be a great idea to 'introduce' yourself to your new teacher. What do you think they need to know about you? It can be things that you enjoy, things that you struggle with, favourite subjects and things that you might do outside of school. You can present your information in any way you like. You might want to include photographs etc. Stick this into your journal and take a picture! Miss D will be looking at your journals when we return in September.

Maths Task

Using the digits 1,2,3,4,5,6,7,8,9 place them in a 3x3 grid so that all the rows add up to 15. That means horizontally, vertically and diagonally. You can only use each digit once. I look forward to seeing your answers. Remember the Sutton Park value of perseverance! If at first you don't succeed try again!

Foundation Subject Task

Today, Miss D has set you a Family History challenge. She would like you to investigate your own family tree. A family tree is a chart showing family relationships in the shape of a tree. A family tree 'grows' down from the top with the oldest generation at the top e.g. grandparents and then the youngest at the bottom e.g. you! You can display this in any way you wish; this might include photographs, information about people's jobs or where they live. Perhaps you have family members living in other countries who you could include. This should be recorded in your journal so that you can share it with your teacher in September so they can get to know you a little better. Have fun and be as creative as you can!

Any further guidance

I would like you to keep reading Year 3. It's so important! As well as Get Epic and Oxford Owl, there are lots of ideas and links to super websites on the school website which you can access and enjoy. Stay safe, Mrs C 😊
