

### Welcome Comment

Good Morning Year 4! Can you believe that this is the last week of term? Where has the time gone! I know it's not the way we are used to spending it, but I have planned lots of fun activities and transition tasks for you. Let's have a super week!

Today's active task: I LOVE this [song](#) and I know you do too so make sure you have a good dance – I definitely will be!

### Thought for the day...

### English Task

Today, I would like you to write a letter to Year 3. In this letter, I would like you to give them some advice about what to expect in Year 4 (try not to scare them too much! 😊) You might want to tell them a little bit about me and what to expect from me as a teacher (try not to use the words amazing and wonderful too often! 😊)

This is your chance to share your knowledge about Year 4 and what top tips you would pass on to them as they move up.

### Maths Task

Today, I would like you to become Maths detectives! Using your super Maths knowledge, I need you to solve the 'Moji Road Trip' Mystery. The emojis are off on a road trip to a secret destination. Not everyone is happy about it, but when the map goes missing, the trip might have to be cancelled! Can you solve the clues to help them find the map and go ahead with their trip? I have sent over the activity and you can also find it on the website. Email me your answers to [year4@suttonpark.worcs.sch.uk](mailto:year4@suttonpark.worcs.sch.uk)

### Foundation Subject Task

Today, I have set you a Family History challenge. I would like you to investigate your own family tree. A family tree is a chart showing family relationships in the shape of a tree. A family tree 'grows' down from the top with the oldest generation at the top e.g. grandparents and then the youngest at the bottom e.g. you! You can display this in any way you wish; this might include photographs, information about people's jobs or where they live. Perhaps you have family members living in other countries who you could include. This should be recorded in your journal so that you can share it with Miss McGowan in September so she can get to know you a little better. Have fun and be as creative as you can!

### Any Further Guidance

I wonder how many of you managed to solve the mystery today. 😊 I hope you have enjoyed writing your letters to Year 3 and taking part in the family challenge. Remember to keep using [Get Epic!](#), [Times Table Rockstars](#), [Sumdog](#), [Prodigy Maths](#) and [Oxford Owl](#). The winner of our reading challenge set last week is...Tymoteusz! He has now read 72 books! A huge well done! 😊

If you would like to share your family tree or anything else you are proud of in your journal, please email it to me on [year4@suttonpark.worcs.sch.uk](mailto:year4@suttonpark.worcs.sch.uk) so I can have a look!

Keep pushing Year 4, we are nearly there!

Miss D 😊
