Hi Everyone,

We hope you had a great weekend. Thank you for all the emails last week. It is great to see how you are all getting on. We can't believe this will be the last week before we break up for the summer holidays. Don't forget to add things to your 'Lockdown Journals'; you could try and create a collage of a rainbow or decorate handprints of all the family members.

Here are your home learning tasks for today, we hope you enjoy them.

### **English Task**

Today we would like you to start with spelling practise. Try this game to practise some Year One tricky words... <https://www.ictgames.com/littleBirdSpelling/>

When you have finished this, make up some sentences with these tricky words: **today, here, where, there, were, our, are** (underline the spelling word).

For example, Today I saw a slimy snail.

### **Maths Task**

For Maths today we would like you to have a go at some quick additions.

Start by playing the 'hit the button' <https://www.topmarks.co.uk/maths-games/hit-the-button> and select number bonds.

Then we would like you to use your dice. Roll it twice to make an addition. For example,  $3+2=5$

Challenge yourself... How many can you write and work out in 60 seconds? Then have another go. Can you beat your score?

### **Foundation Subject Task**

Today, Miss D has set you a Family History challenge. She would like you to investigate your own family tree. A family tree is a chart showing family relationships in the shape of a tree. A family tree 'grows' down from the top with the oldest generation at the top e.g. grandparents and then the youngest at the bottom e.g. you! You can display this in any way you wish; this might include photographs, information about people's jobs or where they live. Perhaps you have family members living in other countries who you could include. This should be recorded in your journal so that you can share it with your teacher in September so they can get to know you a little better. Have fun and be as creative as you can!

### **Any Further Guidance**

We hope you enjoy your tasks today. Don't forget to keep up with your phonics practise this week. Search Ruth Miskin on YouTube
