

Welcome Comment

Good Morning Year 4! I hope you all had a marvellous Monday and are looking forward to a terrific Tuesday! We can do this – let's make sure we make this last week the best one yet. I would love to see more of your work this week as I haven't heard from a few of you for a while! You can email it to year4@suttonpark.worcs.sch.uk 😊

Today's active task: Another one of my feel-good favourites! [Enjoy!](#)

English Task

For today's task, I would like you to create something which tells Miss McGowan all about you! This could be a letter or a poster which has information about you that you think she needs to know before you join her in September. This might be your age, favourite colour, hobbies, favourite food, best lesson, talents or perhaps things you are worried about or looking forward to. You might draw a self-portrait of yourself to make it look more colourful! I would like you to do this in your journal so you can share it with Miss McGowan on the first 2 days back in September. Enjoy and be as creative as you can! 😊

Thought for the day...

Maths Task

Because you did such a wonderful job of being Maths detectives yesterday, I have another Maths investigation for you today. Today, there is chaos at the zoo! The mischievous monkeys have stolen the keys and are causing havoc! Work through the problems and cross off the suspects to work out which monkey committed the crime! Don't forget to email your answers to year4@suttonpark.worcs.sch.uk

Foundation Subject Task

Usually, the end of term means there is time for a talent show. Because we aren't together, I would love you to organise and run your own family talent show. You will need to explain the running order, organise who is going when and sort out music or props for each act. You will then need to host the show and create posters to advertise it with the date and time. I would also like you to make your own medals to give out and consider how the votes will work. Try and get as many people involved as possible and have fun!

Any Further Guidance

I hope you've had fun taking part in the talent show and creating your letters or posters for Miss McGowan – she's excited to see them! Please keep reading and practising your times tables – it's so important!

If you would like to share your talent show or anything else you are proud of, please email it to me on year4@suttonpark.worcs.sch.uk so I can have a look!

Another day done Year 4. Great effort!

Miss D 😊
