Welcome Comment

Morning everyone,
I hope that you had a good day yesterday and that you are ready for the challenges today. To get us moving this morning, have a go at this repeat the beat challenge. Have fun!

English Task

Continuing with our focus on the last two chapters, today I would like you to have a go at using your inference and explanation skills. Don't forget to use the text to support your answers.

- 1.) Why is it funny that Sam says the men can come and get their money back if it doesn't work?
- 2.) Why doesn't the lawyer want Zero to say he stole the shoes?
- 3.) Explain why the lizards didn't bite Stanley and Zero.
- 4.) Explain why Sachar might make it rain at the end.

Maths Task

Today we are focusing on time and thinking about sunrise and sunset. You will need to think about facts that you already know about time – seconds in a minute? Minutes in an hour? Hours in a day? You will be doing some big calculations today, so you will definitely need to show some working out! Remember to show this clearly and in an organised way. 😊

Foundation Subject Task

This afternoon I would like for you to continue to work on our body percussion music skills. Visit the YouTube link below and have a go at session 3.

Enjoy – it's getting super tricky now!!! 😊

Any Further Guidance

Well done for a super start to the week. I hope you are all well and are staying safe, healthy and happy. I also hope that you have enjoyed our book now that we have finally finished!

Don't forget that you can always email us at year5@suttonpark.worcs.sch.uk if you need help with any of the tasks set.

Have a great day, Miss McGowan 😊
