### Welcome Comment

Morning Year Six, I hope you are ready for today's challenges. Three more days of learning to go, so let's have one big push to the finish line. Today I have a really exciting quiz for you to have a go at.

Remember to keep contacting me at [year6@suttonpark.worcs.sch.uk](mailto:year6@suttonpark.worcs.sch.uk) with evidence of your quiz answers, and don't forget to get your votes in if you haven't already that were asked for on Monday, I will extend the deadline to the end of today. Now go get them!

### English Task

As always, I would like you to begin by reading for fifteen minutes of a book of your choice. **Over 500 books have now been read online by us a class during lockdown, a brilliant effort!**

Here is today's conundrum. Remember to make as many words as you can as well as to try and work out the nine-letter word of the day!

**C A T B A H E C L**

Normally, in your last week of school, you may get some free time to play games from home. As this cannot be done this year, I thought it would be fun for you to have a go at designing your own board game. You could base it on a game you already know, or come up with something completely new. Design the board first, then think about what you will use for counters. Write a set of instructions to go alongside your game and finally, add colour.

### The Year Six End of Year Quiz

During lockdown, I really got hooked on completing quizzes. So, for today's main activity I would like you to take part in the Year Six end of year quiz. I have attached for you today a powerpoint which will ask you several questions on lot of different themes, and an answer sheet to fill in and send to [year6@suttonpark.worcs.sch.uk](mailto:year6@suttonpark.worcs.sch.uk).

The rounds are as follows:

Round One: Brands

Round Two: National Flags

Round Three: Mr Men

Round Four: What has been magnified?

Round Five: Famous Lego

Round Six: What is it?

Round Seven: Board Games

Round Eight: Landmarks

Round Nine: Animals

Round Ten: Where at SEC?
