Welcome Comment

Good morning everyone! Let's wake ourselves up this morning by singing and dancing to a song you we love listening to - [Superheroes Unite!](#)

Here is the link for your daily phonics session if you'd like to have a go;

English Task

For today's task, we would like you to look very carefully at Barry. Can you think of some describing words to describe what he looks like? Think about what size, shape and colour he is. Try and put your describing words into a sentence.

For example you could write 'Barry iz bloo and haz ten fingirz.' Try and remember to 'Fred-talk' each word and also use finger spaces and a full stop at the end.

Maths Task

For today's task we would like you to use your own fingers to solve some addition problems.

- Using the dice in your home learning pack, roll it and write down the number on your whiteboard with a + next to it. For example if I rolled a 4, I would write '4 +'
- Then roll the dice again and write that number with an equals sign after it, so if I rolled a 2, I would write '4 + 2 = __'
- Now think of 4 in your head and see if you can count on 2 more with your fingers. Write your answer in your number sentence.
- Can you do 3 more addition number sentences?

Foundation Subject Task

Tomorrow it will be our last day before we break up for the summer holidays! We are all going to miss you so thought we could have a party to celebrate how amazing you have been in Reception! Asking a grown up for help, play your favourite music to listen to. Have a dance together, using your funkiest dance moves and play some party games together, how about musical statues or musical bumps? Have fun!

Any Further Guidance

We hope that you have enjoyed today's activities. Have you managed to fill in any of the pages in your journal yet? I wonder how you have decorated the front cover? If you can, please take a photo and email them to us as we would love to see them! Send your emails to [reception@suttonpark.worcs.sch.uk](#)
