Welcome Comment

Morning Year 5! Thank you so much for your letters yesterday – Mr Salisbury has loved receiving them and has told me he is feeling less nervous about meeting you now. (Teachers get nervous too sometimes!)

If you haven't managed to do that yet, please do. He would love to hear all about you! This morning to get yourself moving, here's a bit of a Year 5 classic, inspired by Mrs Sprawson.

English Task

Today, if you are able to, see if you can watch the movie version of Holes. I believe it is available on Disney + if you are lucky enough to have this! It is also available on DVD or there is a link to watch it on YouTube too!

Maths Task

Today, you need to imagine that you have just been given £600,000 to create your own theme park. Look at the resource that goes along with this task so that you have the itemised list of what each of the items for your theme park will cost. You will need squared paper to set out your work and to think about the lay out of your theme park.

You may also wish to think about what your theme park will be called, how much you will charge for entry and whether you have any special offers on for the upcoming summer holidays.

Think carefully about your presentation for this task and make sure that your calculations are clear. Try and get to as close to budget as possible – but you MUST NOT go over!

Good luck and enjoy, I look forward to seeing what you come up with! 😊

Foundation Subject Task

This afternoon I would like for you to spend some more time working on your journal. Today I would like you to create a page in your journal that reflects upon your time in Year 5 and another page that talks about your hopes and wishes for Year 6. How you set this out is completely up to you, I just ask that you are honest and creative. If you would like to share it with me (and Mr Salisbury), I would love to see it.

Any Further Guidance

I hope that you have had a great day Year 5. Make sure you have said hello to Mr Salisbury this week. (year5@suttonpark.worcs.sch.uk)

The pages that you sent from your journals last week are looking fabulous and they will definitely be a real treat to look back on when you are older, something to be really proud of.

Keep up the fab work! 😊
