

Teacher

Mrs Cornforth

Class

3

Date

17/7/20

Good morning Year 3, our last lot of challenges so let's make them the best we can possibly do! Well done to all of you who have been emailing us regularly we have enjoyed receiving all your work and knowing that you are happy and safe. Miss D and I would like to wish you a happy holiday and we shall see you all in September. 😊

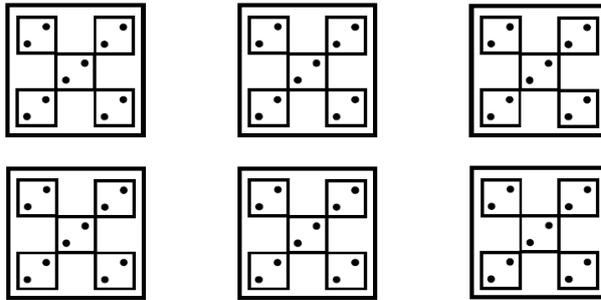

### English Task

Today I would love you to reflect on Year 3, what have you enjoyed? What have you achieved? What are you proud of? I would love you to complete a page for your journals. You could stick in pictures, do drawings, write sentences etc. Send a photo of your page to [year3@suttonpark.worcs.sch.uk](mailto:year3@suttonpark.worcs.sch.uk) Remember that Miss D will be looking at your journals in September and there will be a showcase of your work.

### Maths Task

#### Draw

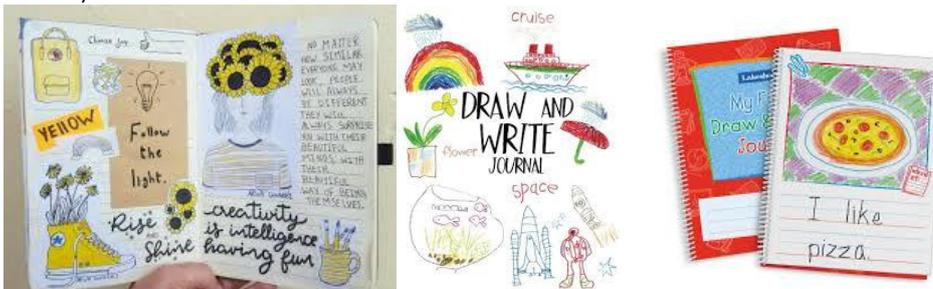

This picture shows 60 dots using dice patterns.

*Draw a different picture of 60 dots using dice patterns.*

### Foundation Subject Task

I have been really pleased with how beautiful your journals are and the pride that you are showing with them. In September Miss D will be doing some work with you around your journals and so we would like you to keep adding to them over the summer. You could include photographs/ pictures of where you have been. Pages on things you have watched or enjoyed. Reflections on your mood. Goals you may have set and achievements that you have done. This could be getting a sporting medal or completing a level that you have been struggling with on Minecraft. The important thing to remember is that it is about you and should reflect you! We are very much looking forward to seeing your creativity.

### Any further guidance

I have really enjoyed teaching you this year and I hope that you have a great summer holiday and come back refreshed and ready to learn in September. I am looking forward to seeing you all. Well done on all that you have accomplished this year.

Mrs C 😊
