Welcome Comment

Good Morning Year 4! This is your last day in Year 4! 😊 Can you believe it? I can't believe how fast it's gone. I know we didn't manage to get a whole year together but I want you all to know how incredibly proud I am of you. You have had to deal with so much and adjust so quickly to this situation and you've done it so brilliantly. Let's make each other proud and be a team one last time. 😊

Today's active task: I want you to [sing](#) your hearts out to this! ❤️

Thought for the day...

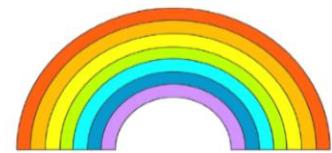

*if you haven't heard
this yet today...
I'm proud of you.*

English Task

Today, I would like you to watch your favourite film. Get cosy, grab some snacks and a blanket and enjoy it. It would be great to see your pictures of your home cinema and why you love the movie you have chosen! Why is it your favourite? Has it always been your favourite? Perhaps you could discuss favourite films with your family and ask them why it's their favourite film!

Maths Task

Free choice today Year 4. You can use Prodigy Maths, Sumdog, Times Table Rockstars or Education City or even all of them! Explore the games, play against each other and have fun!

Foundation Subject Task

Today's task will be one that stretches over the summer. I would like you to keep working on your journal. Fill it with ideas, with your thoughts, your feelings, your hopes and dreams. Add in things you get up to, places you might visit or people you see. Maybe you get to go somewhere you haven't been able to during lockdown because now it's open! Keep adding to it and be proud of it. This will be yours to keep for years to come and reflect on the time you spent and how you coped with such an unusual situation.

As well as this, I want you to have fun! To enjoy your time with your family, to switch off and relax. Have fun, keep smiling and look after each other.

Any Further Guidance

We made it Year 4. What a year it has been! One unlike any other. I want you to realise that this has been a year that will go down in history and you are now part of that history. You've adjusted well, worked hard and kept smiling and I couldn't ask any more of you. I wish we could be together in person to celebrate your achievements but for now I want to say how brilliant you all are and how much I'll miss you in September. Do me proud and show off how fantastic you can be. Have a wonderful Summer: be kind and stay safe. Much love,

Miss D 😊
