

Welcome Comment

Good morning lovely Year 2!

I hope you all had an enjoyable weekend! Have a look at this week's word. Each day, I would like you to revisit this word and use it as much as you can when talking to your family. You must, however, make sure that you use it correctly. I hope you enjoy today's family challenge, which has been set by Mr Salisbury.

English Task

Word of the week:

Word: determined (adjective)

Definition: Having made a firm decision and not wanting to change it.

I was determined to make it to the top of the huge climbing frame!

Synonym (words with similar meanings): intent on, dead set on, fixed on.

Complete the 'wr' phoneme word search (saved in the Year 2 Home Learning section). Choose 5 of the words from the list and write a sentence for each one. Remember to include capital letters and full stops!

Practise the words from the word search and ask a grown up to test you on them at the end of the week.

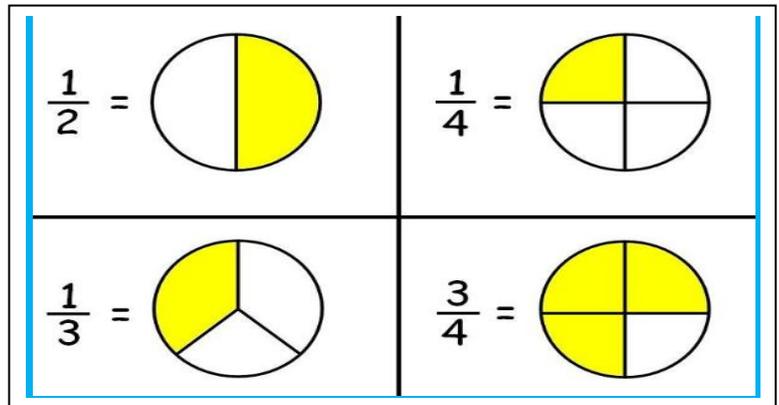

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

Fraction revision

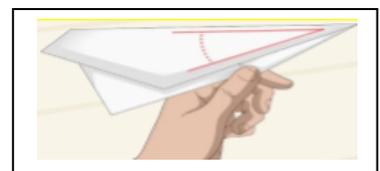

This week, we will be revising fractions – finding fractions of shapes and fractions of amounts. Complete today's Maths tasks involving fractions (saved in the Year 2 Home Learning section).

Think back to all the work you've previously completed on this topic to help you.

Foundation Subject Task

Today, Mr Salisbury would like you to take part in a special Science challenge: Design the best paper aeroplane. He would like you and your family to work on designing and creating the best paper aeroplane possible. Think about wing length, nose design and what you could add to your paper aeroplane so that it is air resistant and flies the furthest possible. When you have created your aeroplane, take a picture or video it in action and email your entry to Mr Salisbury at: Year6@suttonpark.worcs.sch.uk. Check out: <https://www.scarcroft.york.sch.uk/paper-aeroplane-challenge/> for some great ideas and templates you could use, and of course more information can be found on the school website. Go and create your flying machines!

Any Further Guidance

How will you make sure that you create the BEST paper aeroplane? Have fun and enjoy this week's family challenge! The Virtual Sports Games will be setting fun challenges for you to take part in too. These can be found by visiting: www.activehw.co.uk/worcestershire-school-games from 10.30am each day. Get involved and get active!

Mrs Fassnidge
