English Task

The story we will be using today is Lucy and Tom at the Seaside by Shirley Hughes.

Click here to listen to the story; ['Lucy and Tom at the Seaside'](#)

After listening to the story make a list of all the things Lucy and Tom did at the seaside. Can you answer any of the questions you asked yesterday?

Ice-cream price list

Maths Task

Imagine you are buying an icecream at the beach. Here is a price list for the icecreams. Choose 2 and add the totals together. How many different calculations can you make?

Use these ideas to help you; Start with the biggest number in your addition and count on along a number line. Use number bonds like $12+8=20$ to help you, or add the tens and then add the ones.

Foundation Subject Task

Seaside holidays from the past. Look closely at this picture. This is a painting from a seaside resort in the long ago. Look carefully. What can you see? Why are there huts in the water? Can you think of any more questions when you look at this picture? Watch this video which explains what they were like during the Victorian Era.

<https://www.youtube.com/watch?v=IOOg7xFUJ0w> .

Is there anything the same or different about seaside holidays now and then?
