# At the river

Can you number the following dangers on the picture?

- 1 Beware of trip hazards
- 2 The water will be muddy and not as clean as swimming pool
- 3 Rescue equipment may be missing or broken
- 4 Pay attention to water safety signs
- 5 Always wear a buoyancy aid when on water
- 6 Beware of currents, they can carry you away in seconds
- 7 Water may be too shallow or deep
- 8 Banks often have crumbling or steep edges
- 9 You may risk getting trapped in weeds, branches underwater
- 10 There may be rubbish or debris hiding beneath the surface
- 11 Most rivers are far too cold to swim in

**Well Done! You can now keep this booklet at home to remind you of how to keep safe.**

We would also like an adult to give us some feedback by going to: [xyz@surveymonkey.com](mailto:xyz@surveymonkey.com)

All those that complete will be entered into a prize draw.
